

LOLA

— LOLA PINOT NOIR NORTH COAST —

BLACK CHERRY, BRAMBLE BERRY, RICH

LOLA North Coast Pinot Noir is a blend of unique vineyards from Mendocino, Russian River Valley and the Sonoma Coast. 2016 was a great vintage for our North Coast Pinot Noir vineyards and the wine reflects that balance we saw in nature itself throughout the year. The wine is made in the same style as always, preserving the dark berry fruit, cola and redwood forest aromas of Northern California grown Pinot Noir while maintaining bright acidity, lower alcohol and a soft, supple, delicate tannin structure.
